**The Superior Court of Orange County Launches Mobile-Friendly Website**

**Santa Ana, CA** – The Superior Court of Orange County has recently launched a mobile-friendly website. The website is designed to give users easy access to Court information on-the-go on any device. The website address remains the same, [www.occourts.org](http://www.occourts.org).

Our dedication to creating the best possible experience for the public is the motivation behind this effort. The state-of-the-art design elements allow users to readily access the Court's website on-the-go from any mobile device such as a tablet or smartphone with Internet capability. The Court's website uses a responsive design which automatically adjusts the layout and navigation for the site to the appropriate screen size, eliminating the need to zoom and pan to find information.
