**The Superior Court in Orange County Announces
The Addition of a Second Electronic Filing Service Provider
American LegalNet**

Santa Ana, California – The Superior Court of California, County of Orange, now offers an additional Electronic Filing Electronic Service Provider (EFSP), **American LegalNet**. Litigants can use either American Legal Net or One Legal to eFile civil case documents directly to the court's case management system. Documents can be sent 24 hours a day, seven days a week.

“Court costs are reduced because eFiling eliminates manual data entry by court staff, scanning documents and the need to store paper documents,” said Superior Court Chief Executive Officer Alan Carlson. He added, it also benefits lawyers and the public because it is no longer necessary to physically transport documents to court.”
