Superior Court in Orange County Announces Spanish and Vietnamese Language Web Access

Many of the Superior Court's public Web site pages are now also available in Spanish and Vietnamese. The public may access Web pages in these languages by clicking on the "**Español**" or "**Tiếng Việt**" link located in the upper right-hand corner of the Court's Web site at www.occourts.org.

The Court's Web site saves the time and cost to commute to a courthouse. Helpful information in English, Spanish, and Vietnamese includes how to enroll in traffic school, pay traffic citations online, file a divorce and file a small claims case, as well as information concerning self help services and other court programs.

Web pages not translated to Spanish or Vietnamese indicate English only. The Web site continually will be updated.
