

The Orange County Superior Court has a website for the public to access case information for matters set in Department L73. Information is posted on the court public website regarding whether a matter has been recommended for approval or if there are Probate Examiner Notes that need to be cleared before the case can proceed.

To access the Probate Notes for a case, go to the website at <http://www.occourts.org/>

Using the mouse, hover over Divisions on the Left side of the screen to bring up options and then click on Probate/Mental Health (you may need to scroll down).

Click on the Probate Notes folder

GENERAL INFO

## PROBATE / MENTAL HEALTH

**PLEASE NOTE**

The Probate/Mental Health Unit handles a variety of cases, including cases related to probate, mental health, family law and civil. For more information on cases processed in this unit, please see the list at the bottom of this page. For specific information on a particular case type, please click on the appropriate folder below.

The entire unit, including the Probate Clerk's Office and four Probate/Mental Health courtrooms, is located at the Lamoreaux Justice Center in the city of Orange. All filings and hearings related to the cases processed in this unit are handled at this one location.

## PROBATE NOTES

**PLEASE NOTE**

This section provides information and links to view probate notes pertaining to matters on the court's calendar. It also provides information as to how to communicate directly with the court regarding those notes and offers a means of requesting to continue a hearing to a later court date.

Click [here](#) to review new fees, penalties and assessments effective August 10, 2009.

Take Note of the Email Guidelines for Probate Note Questions and Email Requests for Continuances provided at the end of the Probate Notes screen. Failure to follow these Guidelines may result in your matter being continued for the Court to review discrepancies between the Probate Notes and conformed court file documents.
