### **IMPLEMENTATION OF PROBATE CONSERVATORSHIP ACCOUNTING PORTAL**

**Effective December 18, 2020**

Effective December 18, 2020, the Superior Court of California, County of Orange will implement the Probate Conservatorship Accounting Portal.

The portal was developed to modernize and improve the conservatorship accounting process. The portal will provide access to the accounting application 24 hours a day, seven days a week. Conservators will be able to input monthly accounting data through a step-by-step process which will allow for simplified tracking, preparing and electronic filing of annual accountings.

This project was made possible through grant funds awarded by the California Court Innovations Grant Program.

Additional information and access to the portal will be available on the court's public website at:
