### Electronic Fee Payment Now Available via Mobile Application Effective March 14<sup>th</sup>, 2025

The Orange County Superior Court is pleased to announce the launch of our upgraded mobile application for Civil and Probate cases, effective March 14<sup>th</sup>, 2025. This version introduces a new feature that enables parties to securely pay the below fees directly through the mobile application, providing greater convenience and efficiency.

- ◆ Court reporting services lasting one hour or less
- ◆ Court reporter per diem fees lasting more than one hour (half/full day)
- ◆ Small Claims continuance fee
- ◆ Conservatorship investigation fee (initial/review)

### Background

Attorneys and litigants can use the Court's mobile application to attend hearings remotely. However, the app does not currently offer a fee payment feature. Parties are required to visit the Clerk's Office to make their payment in person.

### What's New

Effective March 14<sup>th</sup>, 2025, the current mobile application will be upgraded to allow parties to submit fee payments online. This enhancement is designed to streamline the payment process, reduce the need for in-person transactions, and improve overall accessibility.

Parties will be able to make payments securely via the mobile application 24 hours a day, seven days a week, eliminating the necessity of waiting in line at the Civil Clerk's Office.
