Court Launches Newly Upgraded Mobile Phone Application for the Existing Automated Check-in Program in Civil and Probate

Santa Ana, CA – The Orange County Superior Court is excited to announce the launch of our newly upgraded mobile phone application for the existing Automated Check-in Program for Civil and Probate cases, available on September 5th, 2024.

This upgraded application replaces our previous version and offers enhanced features designed to improve user experience and accessibility, creating a seamless and efficient experience for all users.

The free app can be downloaded on both iOS devices and Android devices from the OCCOURTS.ORG public website at <https://www.occourts.org/general-information/covid-19-response/civil-covid-19-response/civil-remote-hearings> or by scanning the QR code at the bottom of the page.

This updated application will allow remote access to court services at no cost to the public, while also allowing both the legal community and self-represented parties to check-in by using the mobile application on their device.
